2019 SUMMER CAMP SESSIONS

Sauganash Montessori School is offering three, 3-week summer options for children ages 3-6 from June 10th through August 9th. Enrollment is open to all children. You may choose any or all sessions. **The classroom is prepared with traditional Montessori materials and is enriched with theme unit activities. There will be maximum outdoor/park time and projects.** The sessions will be taught by current teachers who will maintain the high standards of Montessori theory and practice. We promise lots of fun, lots of sun (and sunscreen) and an educational summer your children will love. All materials are included. Organic lunches and snacks are provided by Gourmet Gorilla, Inc. *No other food may be brought into SMS due to allergies.*

Session I (June 10th – June 28th) Theme: “I Love Art” led by Miss Bridget

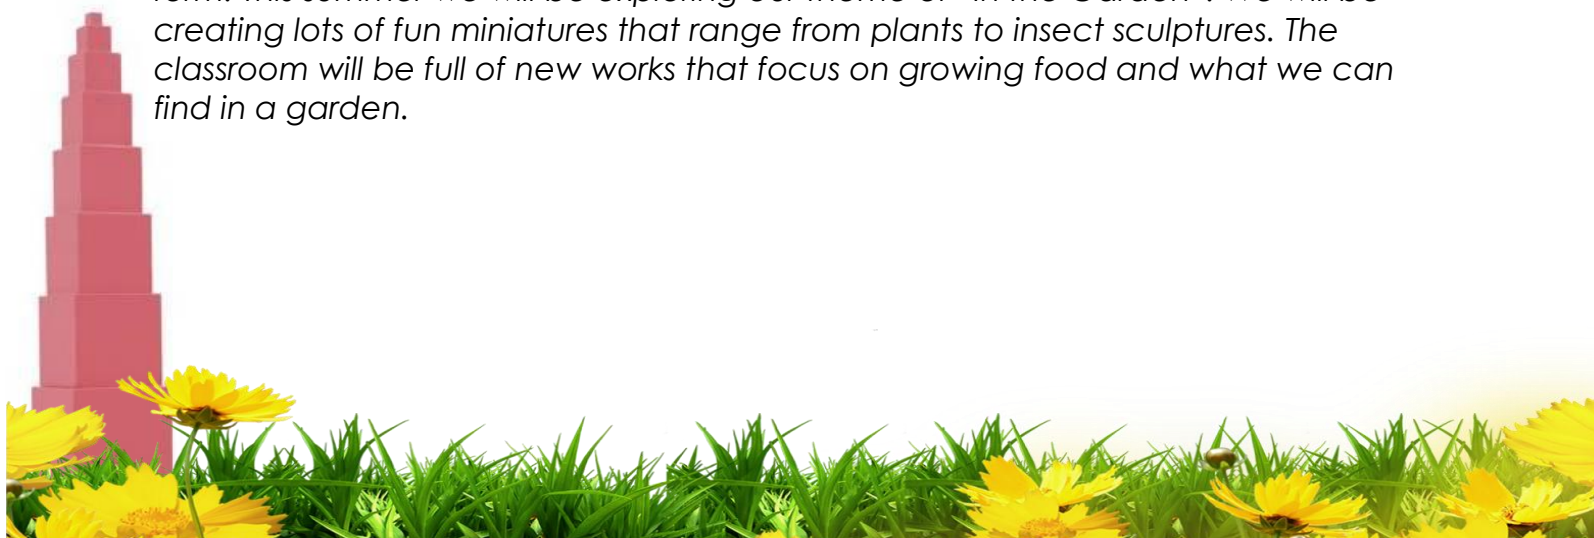

What’s summer without art? Get your Art on at SMS! Young artists will engage their imaginations while developing their art skills, learn new artistic techniques, and expand their artistic knowledge. Campers will have the opportunity to produce works of art while gaining a basic understanding of how to draw, paint, and create everything in between. You don’t want to miss out on the messy fun!

Session II (July 1st - July 19th) Theme: “Dance Around the World” led by Miss Christine

Get ready to move! We will be exploring different dance styles and music from around the world. Campers will learn different dance styles, including ballet, flamenco, Irish dance, and more! Along with these dance styles, campers will also listen to different musical styles which will help them count the rhythm to the music.

Session III (July 22nd-Aug. 9th) Theme: “Kids ‘N’ Clay- In the Garden” led by Miss Shanna

Roll up your sleeves and put on an apron because it’s time to BUILD WITH CLAY! Clay is a fun medium that encourages children to think about structure, shape and form. This summer we will be exploring our theme of “In the Garden”. We will be creating lots of fun miniatures that range from plants to insect sculptures. The classroom will be full of new works that focus on growing food and what we can find in a garden.
